FLICK KNIFE

Officers from the Sutton Safer Parks Team were patrolling in the vicinity of Grove Park, when they entered the car park at Westcroft leisure Centre. They noticed a male who was loitering around near the pedestrian entrance near Park Fields Road. Reports from residents in the area have stated that there has been drug activity and associated ASB in the area. When stopped the officers detained the male for a search under the Misuse of Drugs Act. The male became instantly evasive towards the officers refusing to cooperate. Officers searched the male and found a flick knife in his pocket. The male became instantly aggressive and fought against police, during which the three officers were assaulted, one of whom was bitten. The male was arrested for being in possession of an offensive weapon, two counts of assault on police and one count of ABH (Actual Bodily Harm). It was also discovered that he was wanted for two other offences and further arrested for these.

CARSHALTON FIREWORKS NIGHT

REMEMBER, REMEMBER THE 5TH OF NOVEMBER GUN POWDER, TREASON AND PLOT

Carshalton Park Fireworks is the largest community event held in Sutton. Every year it is a big crowd pleaser and success. Your local ward officers, together with officers from sister wards, had the pleasure of attending and patrolling the Carshalton Park Fireworks on the cold Saturday evening. It was a fantastic evening attended by many families who came & spoke to us throughout the event. Thank you to all for ensuring a safe & enjoyable evening!

COMMUNITY FOOTBALL

On Saturday the 12th November officers from the North Cluster of Safer Neighbourhood Teams took part in a community football tournament which had been arranged by our partners in People Arise Now. There were 3 teams there, with ourselves in the police alongside a youth team called Escalate and a team from Community First who work with young people who have been trafficked into the country.

It was a great chance for us to show off our football skills! Unfortunately, we don't have any football skills, so we managed to lose all 4 of our games. Only conceded 11 goals though (not even the riot shield and helmet helped) and we even managed to score 1!

The team and I had a great time, and were joined by local ward councillors and MP Elliot Colburn to watch the match alongside some members of the public.

We are looking to arrange a quarterly match going forward, so if you know any community teams who would like to take part; please get in contact with your local neighbourhood team

REMEMBRANCE PARADES

It is a time to remember and show respect to those you have sacrificed so much to help give us those freedoms that we enjoy today. Numerous Remembrance Parades and activities were held across the borough. The main Civic Ceremony this year took place at the Belmont Memorial which was attended by Superintendent Brittain and Superintendent Martin from the SN BCU. In addition the ceremony was attended with local officers from South Wallington and South Beddington

Sutton Volunteer Police Cadets attended both Sutton War Memorial and Belmont War Memorial for the Civic Service of Remembrance to mark Remembrance Sunday.

In total over 120 Sutton Volunteer Police Cadets took part, including both juniors cadets aged 10 to 12, and senior cadets aged 13 to 18.

Sutton Police Cadets also took part in an additional remembrance day service at the Cenotaph, where one of the Sutton Cadets was asked to read a poem and carry a wreath. After this they laid a wreath at the Metropolitan Police Memorial next to New Scotland Yard.

KNIFE ARREST

A youth has been arrested for possession of a hunting knife. On Thursday 24th November, Worcester Park North SNT officers on foot patrol recovered a knife, measuring approximately 16cm, which was found during a stop and search of a youth on Thames Avenue, Worcester Park. The suspect was arrested and the knife destroyed in order to keep Worcester Park a safe place for all. The male has now been charged to court.

BEDDINGTON PARK

The Sutton Safer Parks Team have continued to carry out patrol of the parks and open spaces within the borough through high visibility patrols to reduce ASB. Whilst in Beddington Park they have carried out numerous stop and searches on those acting suspiciously. As a result the team issued one Community Resolution and one Fixed penalty to individuals found in possession of cannabis.

CBO ISSUED

Officers from the Roundshaw local Policing Team have been working hard following ongoing investigative work into a prolific shoplifter on the estate and in Wallington High Street. The male had been arrested for numerous offences and following his court appearance has also been issued with a Community Behaviour Order for 5 years, not to enter Roundshaw shops or Wallington High Street.
